Smart Guide

Important for people with reading and writing difficulties

Write in plain language
Write understandable text, avoid idioms and figure of speech.

Use images, videos and audio
Complement text with video, audio, image, or diagram.

Use left aligned text
It is easier to read for everyone.

Structure text well
Use headings, paragraphs, and bullet points.

Use simple text formatting
Use well-known fonts and avoid writing text in all UPPERCASE, italic, or underlined.
